UNIQUELY INTERACTIVE CYBER-CONGRESS

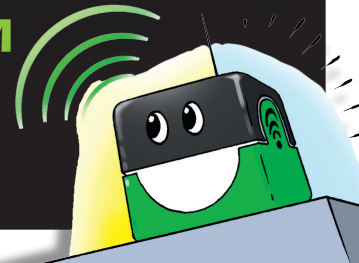

COSMEXCHANGE[®]

INNOVATION IN ADVANCED SCIENTIFIC COMMUNICATION

COSMEXCHANGE opens a **new era in Dermatologic Congresses**, proposing a uniquely innovative **Hybrid Format opening doors** to a limited number of "conventional" attendees and making all congress **remotely available worldwide** to "cyber-attendees". Participants will be able to attend scientific sessions either during the timeframe allocated to the event and/ or **download the full congress**, or parts of it, during the following **12 months**.
