

Psoriasis International Newsletter n°14 2011 July 11

In this number, several issues deserve your attention :

- a SPECIAL « FOCUS ON » on the World Psoriasis Day 2010, the official report made by IFPA in collaboration with Psoriasis International Network
- the 1st report on the Psoriasis International Network Survey on the organisation of national psoriasis activities
- the report on the 1st year of LATINAPSO – Latin American Psoriasis Network
- an interesting document on the Ukrainian Psoriasis Association and the link between patient and doctor in Ukraine
- the national Psoriasis Day Celebration Activities in several countries

You will also find here the latest psoriasis articles published in Pubmed, the presentation of the newest members and websites of Psoriasis International Network, as well as information on the national activities and annual meetings of the Network's members.

Please note that you can share with all Psoriasis International Network members (around 4000 dermatologists and patient representatives from all over the world) any work on psoriasis through our newsletter and "Focus On". Just send an email to weboffice@psoriasis-international.org.
