

ILDS DermLink

Grant Guidelines
& Application
Form

*“We will improve
dermatological care
of patients in
underserved areas of
the world”*

The International League of Dermatological Societies (ILDS) is a non-governmental organisation that promotes the improvement of dermatological care, education and science across the world.

We bring together over 160 member societies from more than 80 countries. The ILDS has access to the experience of more than 100,000 dermatologists.

We celebrate and share the broad range of approaches to skin health and disease that exist throughout the world.

ILDS DermLink seeks to support applications from member societies to undertake initiatives that help patients with skin disease in underserved parts of the world. We welcome applications from anywhere in the world. All applications need to be supported by an ILDS member society.

**Deadline for
applications:
1st May 2017
DermLink@ILDS.org**

Skin Health for the World

ILDS DermLink

Grant Guidelines

“Attaining the best possible skin health for all people around the world”

Grant Types

A: Materials & Equipment

Up to \$3,000 USD for dermatological materials and equipment

B: Training

Up to \$3,000 USD for short-term dermatological training for an individual

C: Field or Community Project

Up to \$5,000 USD for projects in resource poor regions lasting no more than 12 months

ILDS DermLink grants will be awarded on a competitive basis following consideration by members of the International Foundation for Dermatology committee and ratification by the ILDS Board of Directors. Criteria will include identified need, impact for investment and sustainability.

Guidelines

1. Applications must be made by an ILDS member organisation in good standing (membership fees are paid up to date as at the deadline of submission)
2. Applications must be in English using the attached form
3. Applications must assist dermatology in resource-poor regions
4. Projects addressing Tropical Dermatology or Migration Health are encouraged
5. Successful applicants must acknowledge the grant in all related activities
6. Successful applicants will be expected to commit to ILDS reporting requirements
7. All grants must be completed within 12 months of being awarded
8. Only one application per member organisation per year
9. Previously supported projects will not be supported
10. Collaborations between organisations and / or countries are welcomed

working days please resend

Summary of Grant Application

What is the need for this grant?

What are the expected outputs from this grant?

What are the long-term changes that you expect from this grant?

**Please use up to two sides of A4 to provide more information on this grant request.
Specifically provide the following information as appropriate.**

A: Materials & Equipment

Please provide a list of the equipment requested and the estimated purchase cost (including any shipping or other charges)

B: Training

Please provide the goal of training and how this will help health care in a specified resource poor region. Where will the applicant train? What is the course? How much is the training and the associated costs? Please also provide detail on the candidate's background. Please note travel grants to conferences will not be considered.

C: Field or Community Project

Please provide detail about the methods that will be used for this project, whether it be research or medical intervention, an educational programme or workshop or another project. You may wish to discuss your project prior to submission using the above contact details.
