GREAT RESEARCH NEEDS GREAT SUPPORT

Since 1995, La Fondation La Roche-Posay has supported dermatological research and has awarded grants for either basic or clinical research projects as well as prizes for impactful publications led by young dermatologists around the world.

Are you a young dermatologist, **under 40 years old**, working on a dermatological research project?

WE HAVE A GREAT OPPORTUNITY COMING UP FOR YOU!

The La Roche-Posay Research Awards are back in 2021, and we want you to be the first to know!

WHO IS CONCERNED?

Young dermatologists under 40 years old.
