Promotion of the 30th EADV Congress

Distinguished Presidents,
Dear Colleagues,

We hope you and your associates are well and healthy.

Our flagship event is just one month away and this year it will mark a very special milestone for our Academy, the **EADV 30th Congress – Anniversary Edition**. We are very much anticipating this important celebratory event.

The [Scientific Programme](#) features more than 550 speakers, delivering over 160 simu-live sessions, 9 plenary lectures, 8 late-breaking news sessions, E-Posters from over 1,600 exceptional abstracts, as well as patient focussed and sub-speciality society sessions.

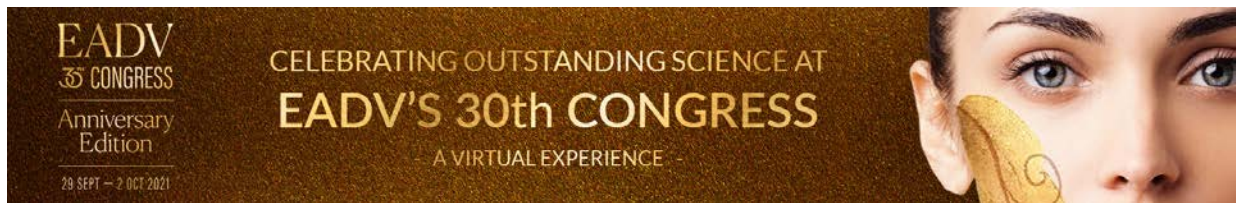

On the occasion of this important anniversary, the **Opening Plenary Session**, scheduled on Wednesday 29th September, will welcome two brilliant speakers and will be followed by the **Celebratory Session**. This session is conceived to honour 30 years of success within the Academy, sharing memories and highlights from the past and offering an outlook on the future. It will also include the EADV Awards Ceremony.

It will be a truly spectacular programme not to be missed!

We would be extremely grateful if we could count on your support to spread the message about the Anniversary Congress through your website, networks and media channels.

For this purpose, we have provided our web banner in different sizes (herewith attached) and we ask you to link it back to our Congress website www.eadvcongress2021.org. Please reach out to the Communications Team should you require further guidance or information: communication@eadv.org.

We would also like to take this opportunity to inform you about an important virtual EADV event which will be held at the time of our Congress and in relation to our EU Policy and Public Affairs activity.

The event forms part of a series of policy roundtable discussions which bring together EU policymakers and representatives from medical societies, patient organisations and industry for an integrated multi-stakeholder consensus approach on skin cancer prevention as a response to the European Cancer Plan.

EADV's Virtual Policy Roundtable Discussion
Addressing Skin Cancer Prevention across the EU
Thursday 30 September 2021, 14:00-16:00 CEST

The event is accessible upon registration, an invite will be sent in the coming days.

Thanking you very much for your attention and support, we look forward to connecting with you soon at the 30th EADV Congress!

Alexander Stratigos
EADV President

Branka Marinović
EADV Secretary General
