(International Psoriasis Council)

New Resources on the IPC Website:

[Take Ten with IPC](#) is a video series offering short, ten-minute psoriasis presentations that provide expert insight, timely research, and practical information to dermatologists anywhere in the world to improve the care of psoriasis. Nineteen videos are currently available directly on the IPC website with easy access, and no login is required. Videos cover a wide variety of topics, aimed to deliver quick tips on treating psoriasis patients.

Take Ten with IPC is a series of brief videos on treating psoriasis from the world's leading psoriasis experts. Each video is a quick 10-12 minute recorded presentation covering a wide range of topics relevant to practicing clinicians and includes pre- and post-test questions to assess your knowledge. The goal of the Take Ten with IPC video series is to provide expert insight, timely research, and practical information to dermatologists anywhere in the world in order to improve the care of psoriasis. Choose to watch topics most relevant to your practice or watch them all.
